Send help! Our house is on fire!

RECENTLY a dairy farmer and his wife were driving home in the evening. As they approached the farm they saw smoke pouring from the upper windows.

While Mr. . . . . ran to help his hired man combat the flames, his wife hastened to the telephone to summon the local fire brigade. Within a short time help arrived, and with the aid of chemical extinguishers they soon had the fire under control. A $3,000 property was thus saved by just one telephone call.

One call in an emergency is often worth more than a whole year's rental.

Nothing yields so much for what it costs as the telephone.

GENERAL INFORMATION

APPLICATIONS FOR TELEPHONE SERVICE

Applications for service, rates, changes in service, directory listings, directory advertising or other information, may be made by telephone, by mail, or in person to the Company's Business Office.

ACCOUNTS FOR SERVICE

Accounts are rendered monthly and are payable when rendered. Each subscriber's account shows charges for exchange service for one month in advance of the date of the account, and Long Distance and Directory Advertising charges, if any, for one month preceding. For the convenience of our subscribers these accounts may be paid at any of the branch banks of the Royal Bank of Canada.

SERVICE DIFFICULTIES

Our aim is to render service that will be satisfactory to our customers. We realize that difficulties will occur despite all our efforts to avoid them. If at any time difficulties are not promptly corrected or unsatisfactory conditions persist, we will appreciate your communicating the facts to the Manager.

IDENTIFICATION OF EMPLOYEES

All employees of the Company whose duties require them to enter the premises of subscribers or others, are required to wear a badge similar to the accompanying illustration or to produce a card of identification from the Manager. Any person claiming to be an employee of the Company who is without this card or badge should be refused admission, and the Manager be notified at once by telephone.

INTERFERENCE WITH APPARATUS

A Subscriber is not allowed to remove or otherwise interfere with the wire connections of parts of any telephone apparatus leased from this Company, or make attachments thereto.

DIRECTORIES

Please check your listing and if it is incorrect in any way call the Business Office at once.

The Telephone Company assumes no liability on account of errors in or omissions from its directories. Telephone directories are and remain the property of the Company. They are printed for the exclusive use of the Company's patrons and are loaned to its subscribers. All persons are cautioned against reproducing their contents.

Subscribers must not use any binder, holder, or other attachments, except as provided by the Company.

RURAL PARTY LINE INSTRUCTIONS

Always listen before ringing, to ascertain if the line is in use and thus avoid interrupting a conversation that may be in progress.

Before calling a subscriber on your line make sure of his number by consulting the directory, then ring, being careful to make the signal distinct. The signal to give is indicated by the number following the letter "r". The first figure following the letter "r" represents the number of long rings, and the second figure, the number of short rings. For example, to call r-24, give two long followed by four short rings. Do not press the push-button on your instrument when calling a subscriber on your line.

To call a subscriber on another line, signal the operator and give her the number. To signal the operator, press push-button while ringing.

When conversation is finished, replace receiver and give one quick ring-off. Do not press push-button while ringing off.

Conversation should not exceed five minutes' duration. Bear in mind that while you are using the line other subscribers are unable to do so.

PUBLIC NOTICE

This Company's tariffs are open to public inspection. The Exchange Tariff may be seen on application to the Manager at the Company's Central Office. Long Distance Toll Tariffs may be seen on application at the Head Office of the Company, in the City of Montreal, Que., or to the Company's Manager at the toll centre of any locality, the name of which toll centre will be furnished by the Manager of the Local Exchange.

The following are the toll centres for the district covered by this directory —

"ANYONE" (STATION-TO-STATION) CALLS

—where you will speak to anyone within reach at the distant telephone. This type of call is quickest and cheapest. Reduced rates are effective from 7.00 p.m. until 4.30 a.m., except to nearby points.

"Anyone" calls on which the rate is 25 cents or more may be made collect without additional cost.

PERSON-TO-PERSON CALLS

—where you specify that a particular person is desired.

Because of the greater service given in summoning a specified person to the telephone, this type of call takes a higher rate. In the event of the call not being completed a small charge for reports is made.

There are no reductions on Person-to-Person calls during the night hours.

On Appointment calls the operator makes the appointment with the distant party, the rate being the same as on Person to Person calls.

On Messenger calls the messenger charge is added to the Person-to-Person rate.

These rates are subject to a Dominion Government tax of 6 per cent (not exceeding 25 cents) in all cases where the total charge for a message exceeds 15 cents.

A COMMON-SENSE AID

CONVENIENCE is so essential a feature of modern living that the extension telephone has taken its place as a necessity in the kitchen. The housewife is saved endless steps — irritating delay or embarrassment. She appreciates being able to keep an eye on her cooking while she is telephoning. And it ensures the efficient management of household details — in the proper place, the kitchen.

An extension telephone costs only a few cents a day and affords unlimited convenience.

Just a step away!

THE problem of marketing your produce is greatly simplified by having a telephone. You're just a call away—at any time—from produce buyer, retailer, railway station. You can make a quick shipment on a moment's notice, check on latest prices, keep in close touch with other suppliers and those with whom you do business.

From the home viewpoint, the telephone brings the pleasure of hearing friends' voices, of being available whenever wanted. It's an all'round farm necessity. Not only that, but its an insurance against emergencies!

Special equipment for individual needs

MANY small factories, offices, and restaurants, consisting of two, three, or four departments, while not requiring more than one line to the central office, may have need for telephone service at several locations and for communication between the various units.

In addition to providing flexible telephone service in each unit of the organization, the master telephone in the manager's office enables him to:—

1. "Cut off" the extension telephone whenever he desires to hold a confidential talk;
2. Divert incoming calls to a clerk so that he is not disturbed unnecessarily;
3. Communicate with other departments without leaving his desk;
4. "Hold the line" while talking over the telephone to his employees; this feature enables him to get information for a calling customer in an instant.

To meet such requirements, special telephone equipment has been designed and may now be had for a moderate monthly outlay.

By means of extension telephones and supplementary equipment, exchange service is provided at each location and intercommunication is possible between all departments.

Ask our representative about a layout to suit your particular business needs. He will be glad to explain.

"Aunt Edith Sends Her Love!"

JANET spends several weeks each year 'visiting around' with her numerous relatives. She knows, however, that her own family, miles away, misses her and likes to hear about her comings and goings.

Being a modern young person, Janet has learned the nicest—and the fastest—way to go back home. Every Wednesday and Sunday evening at 7.30 she calls by Long Distance, and she and her family enjoy an intimate chat.

A Long Distance call is uniquely satisfying. It has the added advantage of being inexpensive.

Low Night Rates

Now Start at 7.00 p.m.

Telephone users now have an extra hour-and-a-half in which to enjoy the low night rates on "Anyone" long distance calls. Night rates now begin at 7 p.m. Your call to out-of-town friends and relatives need no longer interfere with your plans for the evening. You can call right after supper when you're most likely to find people at home.

Save After Seven

THE BELL TELEPHONE COMPANY OF CANADA

On Overseas Calls (to Britain and Europe) Night Rates ($9 less than day rates) are now in effect from 5 p.m. to 5 a.m.
